

Series 2500 Vibration Isolation Table – Placing an Order

1. Select the Part Number for the table size

See the Size Selection Chart.

Remember: You must select a PN for the table size (i.e., VIT2500-483030-C) and a PN that designates the payload to be isolated (i.e., VIT2500-PL-01).

These part numbers may be combined into one if you prefer as:

VIT2500-483030-C:PL-01.

2. Select any Options you want
